Models UVLCC2LP, UVLCC1LP

## Carrier Ultraviolet (UV) Lamps

Your heating and cooling system is the unsung hero of your home, constantly running in the background to keep you cozy and comfortable. As air passes through the cooling coil, mold spores, bacteria and fungi stick to its damp surfaces. Buildup of these contaminants can reduce system performance and lead to the release of harmful mold spores and unpleasant odors into your home. To help alleviate these issues, the Carrier UV lamp is mounted near the cooling coil where fungus and microbes can grow. The intense UV light is designed to kill bacteria and mold growing on and around the indoor coil, enhancing system efficiency and preventing these contaminants from becoming airborne and circulating throughout your home.

### KEEPS YOUR SYSTEM CLEAN AND EFFICIENT

Conventional methods for cleaning your indoor cooling coil involve chemical or steam cleaning methods that can be costly and time consuming. The Carrier UV lamp is an efficient alternative to conventional methods while delivering the benefits of a cleaner, more energy-efficient comfort system and years of lasting reliability.

### KEY FEATURES AND BENEFITS

- Intense UVC light kills bacteria and mold growing on your HVAC system's indoor cooling coil and prevents it from becoming airborne.
- Buildup of mold and mildew on your indoor cooling coil can impact performance, making your HVAC system less efficient because it has to work harder to keep you cool.
- Low maintenance and no cleaning required, just replace the lamp bulbs once a year.

### LIMITED WARRANTY

To the original owner, the Carrier ultraviolet lamp base is covered by a 10-year parts limited warranty upon timely registration. The limited warranty period is five years if not registered within 90 days of installation except in jurisdictions where warranty benefits cannot be conditioned upon registration.

The Carrier ultraviolet lamp bulbs are covered by a 90-day parts limited warranty. See warranty certificate for complete details and restrictions.
