

**IMPORTANT**

1. Always include complete heater model and serial number so that any specification change can be considered for parts shipment. It can save time and expense.
2. Specifications subject to change without notice.
3. We reserve the right to substitute functional replacements.
4. Order by Part Number. Do not order by Option Number.

Models CXL, CXLB, CEEXLB are also equipped with "V" shaped tube baffles. When replacing heat exchangers in these models, check to see if the "V" baffle can be salvaged. If they cannot be salvaged, it will be necessary to order "V" type baffles, Code No. 78, page 14.

If replacement heat exchangers are for Canadian Models, see Code No. 79, page 14.
